RAILROAD INDICTED

Daviess County, Ky., Grand
Jury Charges Absence of
Cuspidors.

Owensboro, Ky., Dec. 18.—The Daviess County grand jury returned indictments late yesterday afternoon against the Louisville, Henderson & St. Louis, Illinois Central and Louisville & Nashville Railroad Company for failure to provide cuspidors in their coaches. The law on the subject says a cuspidor shall be provided for every seat in the coach. This is the first action of the kind that has ever been taken in the matter. The Louisville, Henderson & St. Louis Company was also indicted for failure to maintain a suitable waiting room for the traveling public in the city of Owensboro.

An Appeal.

THAT CONCERNS EVERY MAN, WOMAN AND CHILD IN THE DARK TOBACCO DISTRICT.

To Whom it May Concern:

There has been a call made for a meeting of the Planters, Dark Tobacco Protective Association, to be held in Hopkinsville, Dec. 29, 1904.

Now, our county has not had much information in regard to what the Association has done and proposes to do. I want to urge every one to come out to that meeting. Speakers will be there to explain the situation and give you all the information possible. And I further urge that you do not sell your tobacco before you attend or hear from that meeting. There are men working faithfully for our interest in this matter, with a fair chance of success. Our county is said to be behind all the others in the district in organization. This matter is a large undertaking and means hundreds of thousands of dollars to our people, and we should not be too impatient of its progress. Hold your tobacco and help yourselves and friends by so doing. Come out to the meeting.
